CH.PADMAVATHI
Founder Chairperson

Founder's Profile

Ms. Ch. Chilakalapudi Venkata Lakshmi Padmavathi
Founder & President, Tapasvi Social Welfare Organization

Born on July 22, 1973, in Hyderabad to Mrs. Adi Lakshmi and Mr. Parameswara Rao, Ms. Ch. Chilakalapudi Venkata Lakshmi Padmavathi is a devoted social reformer, visionary leader, and spiritual guide. Deeply moved by the hardships faced by the marginalized from a young age, she founded **Tapasvi** (*Talented Aspirants Peoples' Action to the Society for Vigorous India*) in 1996, which was officially registered as a non-governmental organization on June 26, 1997.

Driven by compassion and an unwavering commitment to social justice, Ms. Padmavathi has dedicated her life to uplifting the underprivileged. Her work spans across providing basic necessities, social and moral support, and implementing **vocational training programs** to help people achieve **self-reliance and dignity**. Social service is not just a profession but her **full-time life mission**.

Her inspiration came during her college years, when she witnessed the sufferings of destitute and street children, neglected elders, rural communities without healthcare or clean drinking water, malnourished children, exploited women with no legal or medical support, and helpless laborers. At the age of 20, she chose the path of humanitarian service, committing herself to the betterment of society.

In a remarkable journey spanning **over 27 years**, Ms. Padmavathi has:

- Conducted extensive field surveys across urban and rural areas to assess community needs.
- Organized medical camps and community welfare programs in underserved regions.
- Championed causes like **women empowerment, child welfare, elder care, education, and legal aid**.
- Served as a **spiritual guide**, spreading messages of peace and moral strength, and remains an ardent devotee of **Lord Krishna**.

Her life and work continue to inspire volunteers, beneficiaries, and fellow humanitarians to work toward a **more compassionate and equitable society**.

"Service to the Society is Service to God"

Tapasvi Services Activities

Tapasvi volunteers and well-wishers collect clothes, food and provisions and help in other activities involving support to the needy. The key objective is to conduct sustainable training programs that impart skills for employability, encourage youth activities, hold certification ceremonies, celebrate yoga day etc. and to felicitate and appreciate all the students who participated.

TAPASVI AIMS & OBJECTIVE

TAPASVI AIMS & OBJECTIVES

As India approached the Golden Jubilee of its Independence, the idea of TAPASVI as an organization was set in motion on January 26, 1996 when CH. Padmavathi and a team of like-minded individuals, driven by a spirit of selfless service and a deep sense of social responsibility, came together for the welfare and upliftment of society. The formal registration followed the next year on 26th June 1997.

TAPASVI is a Secular, Non-Governmental, Non-Political, Non-Profit, and Non-Sectarian organization, constituted by a network of committed individuals. As a non-profit organization, our mission is to address critical service gaps by helping build more sustainable, secure, and healthy communities — especially in areas where government initiatives need support to be fully realized.

Mission

To achieve Peace, Unity and Universal Brotherhood through community participation in spreading social awareness and ensuring economic development.

Goal

To reach more people from the underprivileged sectors and ensure a platform of hope, support and help through our service.

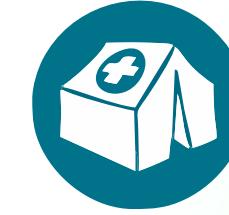

Vision

To work towards building an enlightened and humane society.

We have established Elders' care centre, offered Day care for children and elders and nursing services for elders at home, Child welfare centres for orphans, semi orphans and poor kids, free school for basic education, self-employment training for women, counselling centres, etc. and want to foray further into small scale industries, diagnostic centres, primary hospitals, public libraries, culture and art centres, sports and games centres, legal aid centres, vocational training centres. We want to contribute to improvements in science and technology by encouraging the youth and school children to participate in arts and science exhibitions and also encourage their participation in sports competitions.

**"Help is a very Expensive Gift, So don't expect it..
from every one, Because very few people are..
"RICH BY THE HEART" rest others only talk."**

Helping the helpless is the greatest service..

Tapasvi Free Medical Camp

Natural and manmade calamities come without warning and it's the responsibility of the complete humanity to work on reducing the sufferings of the affected. Tapasvi as a social welfare organization always stays at the forefront of the disaster response and supports for survival of the affected. We conduct awareness sessions to avoid panic and about precautionary measures. Tapasvi through its professional and expert human resources and volunteers improve the effectiveness of disaster relief, helps saving and rebuilding the lives of the people affected by the disaster, fight health pandemics, provides hunger relief and drought relief support.

Real education is our attitude and behaviour towards others. It defines one's personality no matter how qualified one is. We are here to educate to improve the students' clarity of thought, help to mediate, to understand themselves, to help peoples and themselves, to learn fast and to have fun. If you are determined to learn, no one can stop you. Life is beautiful.

Tapasvi Trainings

Tapasvi provides vocational skill training to underprivileged students and tribal youth from the rural areas and urban areas, by conducting awareness programs, physiotherapy, speech therapy to develop their skills. This initiative focuses on training, placements and post placement support with a special focus on females. The aim of this training program is to train the youth in soft skills.

Tapasvi Awards

Tapasvi will encourage people who are serving the society selflessly without hesitating and are sincerely doing their job. Awards are distributed every year to those who exhibit exceptional talent in a particular field or who have worked really hard. We focus especially on the performance of those in the fields of cultural arts, education, self-employment, creativity and whose success has been helpful to the society.

Conservation of Resources

Environment conservation, food safety and security are important factors for an organization that cares for the society. We engage in projects that promote the conservation of natural resources as as such we have taken up organic farming as one of our initiatives.

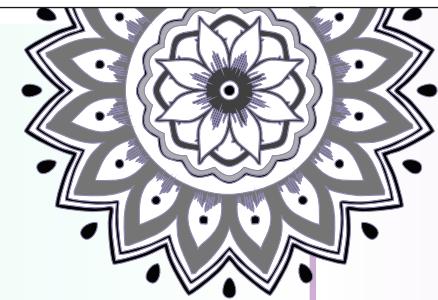

Swatchh Bharath

Mahatma Gandhi said "Sanitation is more important than independence". He made cleanliness and sanitation an integral part of the Gandhian way of living. His dream was total sanitation for all.
